PRODUCT DESCRIPTION

Designer: GamFratesi

LYFA Futé LED Portable Table Lamp

The LYFA Futé combines functionality and design in a portable form, perfect for smaller spaces. Designed by GamFratesi, this lamp features a balanced aesthetic of fabric, ceramic, and a unique metal detail, creating a stylish addition for side tables or shelves. The thoughtfully placed metal element doubles as an intuitive touch-sensitive switch, allowing users to adjust the light with ease, bringing both elegance and practicality to any setting.

Emitting a warm, gentle glow through its textile shade, the Futé 180 offers three brightness levels for customised lighting. Its diffused illumination sets a cosy ambience ideal for intimate spaces, while the portability and compact form makes it versatile for various locations. The Futé 180 Table Lamp exemplifies LYFA's commitment to timeless design and high-quality materials, enhancing any room with its soft, atmospheric light.
