## PRODUCT DESCRIPTION

Designer: Omer Arbel

### Bocci 100s/sp LED Wall / Ceiling Light

The Bocci 100s/sp Wall / Ceiling Light is a striking testament to Bocci's unique approach to glass artistry. Multiple glassblowers work in unison, melding glass spheres into a complex, layered structure that is then meticulously cut with a diamond saw to reveal a play of inner and outer surfaces. This process gives each 100s/sp light a one-of-a-kind aesthetic, with LED illumination that enhances the glass's textured, sculptural quality and provides an ambient, nuanced glow.

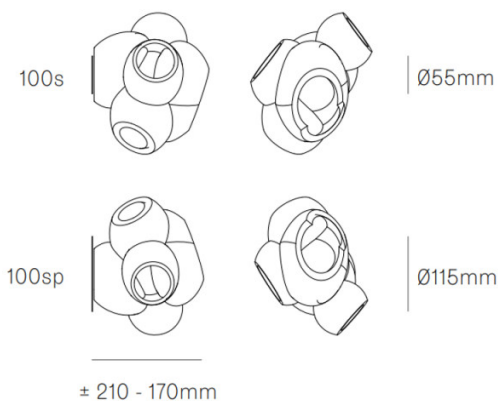

Mounted on either a white or brass-finish base, the 100s/sp light can be installed on walls or ceilings, adding versatility and elegance to any space. The piece's soft, organic shape, paired with the controlled chaos of the glasswork, makes it a captivating focal point, whether used as a single statement piece or in clusters. This handmade fixture captures the spirit of Bocci's craftsmanship, bringing a sophisticated blend of art and functionality to residential or commercial settings.

**Please note that the handcrafted nature of this product means that each piece will be unique and will vary in size and shape.**

## PRODUCT SPECIFICATION

- Light Source:** 1W, 2700K, 100 Lumens  
2500K and 3000K options are available on request.
- IP Code:** 30
- Dimming:** Dimmable via trailing edge mains phase (Please note control must be compatible with electronic low voltage)
- Dimensions: 100s:**  
Width/Height: Ø17-21cm (Size will vary)  
Depth: Ø17-21cm (Size will vary)  
Base Plate Size: Ø5.5cm
- 100sp:**  
Width/Height: Ø17-21cm (Size will vary)  
Depth: Ø17-21cm (Size will vary)  
Base Plate Size: Ø11.5cm
