PRODUCT DESCRIPTION

Aromas Del Campo Porta L Pendant

BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.
1 x Smoked Grey/Black Available.

The Aromas Del Campo Porta L LED Pendant utilises a ribbed glass lampshade and slender metal structure, the result is a striking downlighting solution that can adapt to almost any modern interior. The LED light source of the Porta is emitted from inside the lampshade to create soft ambient lighting directed towards the surface below. Its dome design, open at the bottom, allows it to illuminate tables, counters and worktops and is therefore a beautiful addition to kitchens, dining rooms and above coffee tables in living rooms. The glass lampshade is provided in a smoked grey finish whilst the cable and ceiling canopy are supplied in a soft black.
