Michael Anastassiades Bob Sconce Wall Light

The Michael Anastassiades Bob Sconce Wall Light is a stunning wall-mounted fixture inspired by the iconic shape of a plumb bob. Featuring a mouth-blown opaline glass diffuser and polished brass or plated finishes, this light delivers a warm, diffused glow, perfect for accent lighting in living spaces, hallways, or bedrooms.

Designed to age gracefully, the unlacquered finish develops a natural patina over time, adding depth and individuality to the piece. The Bob Sconce Wall Light embodies Michael Anastassiades' philosophy of simplicity and timeless design. This product can be installed facing upwards and downwards, making it a versatile addition to any interior.

This product is also available in Custom Patina Finishes by request only, please [contact us](#) to discuss pricing and availability.
