FEATURES A REDUCED LED LIFETIME.
BOXED IN B-GRADE NON-ORIGINAL PACKAGING.
1 x Crystal Available.

A feature light that is instantly recognisable by its spherical diffuser and crystal illusion design, the Planet Pendant Light by Kartell was designed by Tokujin Yoshioka as part of the <u>Planet</u> collection.

With an adjustable cable and available in three colours, yellow, crystal and smoke, the Planet Pendant can be used as a stand-out centrepiece light, working best in a dining space or lounge area. Purchase either a single pendant to have a simple yet striking effect or buy several to create a clustered and extravagant light feature to produce an exuberant design scheme in your room.
