The Bourgie lamp designed by Ferruccio Laviani by Kartell has an inimitable style. It skilfully combines classic style, tradition and richness with innovation and modern materials. The revolutionary lamp is composed of three unique interconnecting baroque-style layers, making it possible to adjust the height of the lamp from 68cm to 78cm. Kartell Bourgie therefore becomes a practical desk or table lamp without losing any of its decorative impact.

The combination of traditional baroque design and modern polycarbonate materials makes the Bourgie an ideal table lamp for use in both traditional and modern interiors. Flaunt your eclectic nature with the Bourgie Lamp with its pleated effect shades which create a myriad of reflections when turned on, whether used on a side table in the living room, to create an atmosphere on your nightstand, as a standing sculpture or for reading.
