PRODUCT DESCRIPTION

Designer: CTO Lighting

CTO Lighting Torres Ceiling Light

The CTO Lighting Torres Ceiling Light reimagines classic architectural forms for modern interiors. Inspired by the grandeur of ancient towers, its sleek conical shade symbolises strength and elegance. Handcrafted in the UK, the Torres Ceiling Light is available in luxurious finishes, including polished nickel, bronze, and alabaster. The alabaster shade diffuses light for a gentle glow, while the metallic finishes provide a bold, architectural presence.

Designed for versatility, this ceiling light can enhance various spaces, from bathrooms to living rooms. Its strong downward illumination makes it ideal for spotlighting tables, entryways, or central features. With options for IP20 and IP44 ratings, the Torres Ceiling Light adapts seamlessly to residential and commercial settings, including wetrooms. A sophisticated choice for those seeking understated luxury in their lighting.
