PRODUCT DESCRIPTION

Designer: Aspekt Office

HAY Buoy Table Lamp

The HAY Buoy Table Lamp, designed by Danish studio Aspekt Office, takes inspiration from the floating buoys that dot harbours and coastlines. Its organic silhouette, crafted from mouth-blown glass, diffuses light in all directions, creating a soft and ambient glow. The gently curved form enhances the lamp's sculptural presence, making it a beautiful standalone piece as well as a functional light source. Supported by a sleek black base, the Buoy Table Lamp balances its delicate glass construction with a solid foundation, ensuring a refined aesthetic that suits a variety of interiors.

Available in two sizes, 200 (Ø20cm) and 300 (Ø30cm), the Buoy Table Lamp offers versatility for different spaces. Whether placed on a bedside table, sideboard, or office desk, it provides a warm, inviting atmosphere. The lamp's neutral design allows it to complement a range of interior styles, from minimalist and contemporary to more traditional settings. Pair it with other pieces from the HAY Buoy collection to create a cohesive lighting scheme throughout your home or workspace.
