PRODUCT DESCRIPTION

Designer: Flos Architectural Design

Flos Light Shadow Pro 60 Surface Spot Light

The Flos Light Shadow Pro LED Spotlight is a stylish and minimalistic downlighting solution that offers a wide variety of colours, allowing itself to adapt to an array of interiors. Light Shadow Pro boasts a cylindrical form and offers the choice to combine interior and exterior finishes to adjust to both residential and commercial spaces. The integrated LED light source is projected downwards, providing soft functional illumination that is perfect for various environments.

Display the Flos Light Shadow Pro 60 in hallways, kitchens, entryways, living rooms and workspaces. Thanks to the IP54 rating this luminaire is also a perfect way to brighten up bathrooms and wet rooms, protecting itself from damp environments. Made from quality materials, this lamp ensures both durability and elegance, making it an ideal choice for those who value style and functionality.

Please Note: The Flos Light Shadow Pro Spotlight comes non-dimmable as standard. Dimmable drivers are available, please [contact us](#) for more information and pricing.
