Originally launched in 2005, the [Fritz Hansen Caravaggio](#) collection was designed by Cecilie Manz for Fritz Hansen. Since their original appearance, the Caravaggio pendants have become a design icon, instantly recognisable everywhere. A simple, yet timeless design with a metal bell shaded shade in either a black or white finish. Glare is prevented by the depth of the shade, no matter how high up in the room it's placed. The opening at the top of the shade illuminates both the cord and the suspension.
