Astro Luna Wall Light

The Astro Luna Wall Light is a stunning blend of craftsmanship and modern design, bringing a sense of refined elegance to any interior. Its hand-blown glass shade is meticulously crafted to diffuse light softly and evenly, creating a warm and welcoming atmosphere. The acid-etched finish enhances the shade's texture, lending a subtle glow that is reminiscent of moonlight, making it an ideal choice for bedrooms, hallways, and living spaces.

Designed to be both functional and aesthetically pleasing, the Luna Wall Light is available in Frosted Glass and Dark Smoke Frosted Glass, offering options to complement various décor styles. Whether used as a standalone feature or in a clustered arrangement, Luna provides a sense of balance and harmony.

As part of Astro's dedication to quality and longevity, the Luna Wall Light is made from premium materials, ensuring durability and performance over time. Its versatile wall-mounted design makes it an excellent choice for residential and hospitality settings, where it can enhance both modern and classic interiors with its timeless aesthetic.
