PRODUCT DESCRIPTION

WOUD Gap Short Pendant

BRAND NEW, BOXED IN ORIGINAL PACKAGING
1 x Black Available.

The WOUD Gap pendant combines a raw outer shell made from powder-coated metal with a brass coloured inner shade, creating a warm and cosy glow. This illumination is projected downwards thanks to the shape of the shade and is a perfect way to brighten up kitchen islands, dining tables, desks and even stairwells.

Designed by NUR Design and characterised by the sleek gap in the shade, the Gap Pendant can adapt to a range of interiors and can be displayed on its own or in combination with other suspended luminaires for larger environments.
