PRODUCT DESCRIPTION

Ferm Living Collect Bell Socket Pendant Bell

The Ferm Living Collect Bell Socket Pendant Bell brings gentle curves and harmonious proportions to modern interiors. Featuring the familiar bell-shaped shade and the Bell Socket, smaller and inversed in form, the design offers an elegant and unified visual language. The powder-coated shade casts a soft, downward glow, perfect for dining settings, bedrooms, or reading corners.

The pendant is available in three shade finishes, White, Black, and Cashmere, and five Bell Socket colours including Brass, allowing for subtle contrast or tonal cohesion. With a coordinating ceiling canopy, a 3-metre fabric cord, and dimmable function, this pendant light is both flexible and refined, ideal for creating ambient moments in contemporary spaces.

Please note, this product is also available in a [Low Socket version](#), a [High Socket version](#), an [Opal Shade version](#) and a [Brass Shade version](#).
