PRODUCT DESCRIPTION

Ferm Living Collect Bell Socket Pendant Cone

Blending strong lines with a sculptural edge, the Ferm Living Collect Bell Socket Pendant Cone combines the geometric clarity of the Cone shade with the softer, rounded Bell Socket. This pairing brings tension and harmony to the design, with the shade casting a focused beam of light suited to kitchens, workspaces, or intimate dining areas.

Offered in three shade finishes and five socket colours, including polished brass, this pendant lends itself to tonal pairings or striking contrasts. A coordinating ceiling rose and fabric-covered 3-metre cord complete the look. With mains phase dimming compatibility, the pendant adapts seamlessly to both task and ambient use.

Please note, this product is also available in a [Low Socket](#) version, a [High Socket](#) version and a [Brass Shade](#) version.
