IC T1 Low Table Lamp by Flos

**BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.
1 x Chrome Available.**

Designed by Michael Anastassiades, the IC T1 Low table lamp is one of three table lamps in the [Flos IC collection](#). The IC T1 Low is the shorter version of the [IC T1 High table lamp](#). The table lamp is made from a simple and chic metal structure that holds a glossy glass lampshade that perfectly balances on the body.

An example of elegant design, the IC T1 Low table light is available in 3 finishes, brass, black, or chrome, and produces a soft, diffused glow. The table light also has a handy dimmer switch so you can create whatever ambience you want, whether you need a bright light for reading or a soft light for a cosy night in. Stylish and refined, use this lamp on desks, tables, shelves and side tables in any interior, at home or at work.

A compatible [Flos 9W LED E14 T28 Dimmable Bulb](#) can be purchased separately.
