PRODUCT DESCRIPTION

Designer: Jasper Morrison

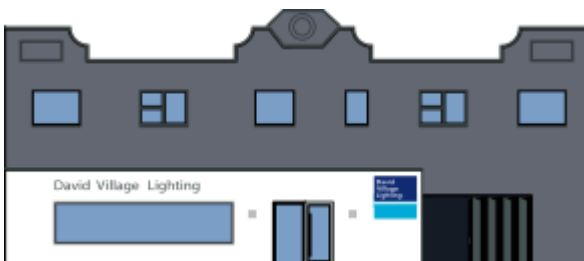

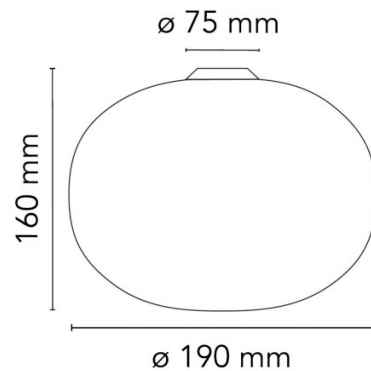

Glo-Ball Zero Ceiling / Wall Light by Flos

The Glo-Ball Zero completes the Glo-Ball wall and ceiling light series, and is the second smallest version available after the [Glo-Ball Mini for ceiling and wall](#). With an opaline diffuser, at just Ø19cm and a reinforced fibreglass base, the Glo-ball Zero wall/ceiling lamp provides soft diffused light, complimenting everything around it.

You can use the Glo-Ball Zero wall and ceiling light in many spaces, both at home and in professional settings, to provide subtle, atmospheric and effective lighting. Check out the rest of the [Glo-Ball collection](#), designed by Jasper Morrison, which includes a range of wall, ceiling, table, floor and pendant lights.
