PRODUCT DESCRIPTION

Designer: Daniel López

Marset Ledtube RSC LED Wall Light

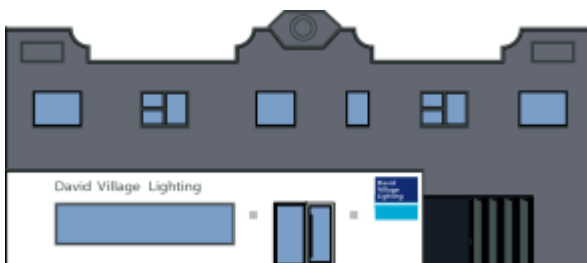

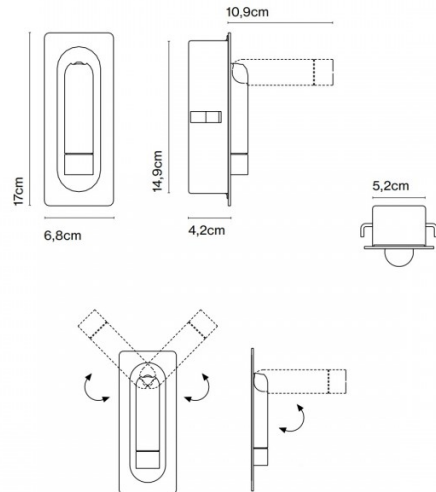

An iconic lighting design for Marset, it's simplistic functionality and ability to blend minimally into any space, Ledtube by Daniel Lopez is as popular today as it was 10 years ago.

Ledtube was designed to be used as a headboard light, ergonomically friendly beckons the user to move the central tube 360 degrees to suit the user's needs completely. Sleek and minimal, as well as intuitive light to interact with, the light turns on when opened and turns off again when closed back.

Marset Ledtube is perfect for bedrooms in both residential and hospitality spaces, this design blends well into any setting to give the user comfort and aid as a reading light. Ledtube can be installed both horizontally and vertically to meet the user's style or need.
