PRODUCT DESCRIPTION

Designer: Michele De Lucchi & Gerhard Reichert

Logico Suspension 3 x 120° by  
Artemide

Part of the Logico collection, designed by Michelle De Lucchi and Gerhard Reichert for the Italian brand, Artemide. Their design on the Logico Single earned them the Red Dot Design Award. A stunning blown glass diffuser, times three! The diffuser is made using a unique method; placing the glass in an upside-down mould and then adding three layers of glass (crystal, silk and crystal again). This creates a unique silk-like effect making the Logico 3X120 light resemble a floating cloud. The lower part of the glass diffuser is cut with a diamond-edged blade.

Available in the classic two options, smoked or silk. The Logico collection also includes other suspension lights, ceiling and wall lights and a table lamp. The modular design of the Logico lights allows you to combine them and create your own compositions.

PRODUCT SPECIFICATION

Light Source: Logico - 3 x 15W E27 LED DIM (excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Logico - 66 x 66 x 31 cm
