PRODUCT DESCRIPTION

Designer: Piero Lissoni

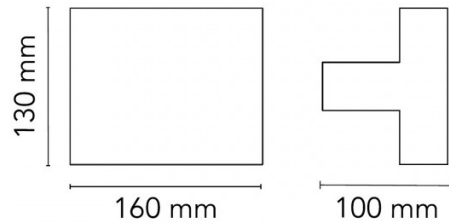

Tight Light LED Wall Light by Flos

The Tight Light LED wall light by designer Piero Lissoni is a wonderful example of the designer's style; simple yet stylish. Not only does the Tight Light work well in residential spaces to light hallways and living areas, but the Tight Light wall lamp also suits any office, waiting room, lobby or commercial building, thanks to its white colour and minimal styling.

The geometric shape of the Tight Light LED light brings balance to the wall and makes the design pleasing to the eye. The wall lamp provides a direct and indirect light output with an integrated LED light source.
