Spillray 26 Suspension Light by Axolight

The Spillray 26 suspension was designed by Manuel Vivian as part of the [Axolight Spillray collection](#). The suspension is a stunning and eye-catching rectangular chandelier, suitable for creating an effective illumination for the space. The light is made up from 26 individual lights that all have a glass lampshade in different shapes.

The Spillray 20 suspension light has a lovely chrome structure with the glass shades available in various colour finishes. The suspension light can be used in many settings and is best used as a main light, suitable for many types of rooms. Use in commercial settings or in homes to create a spectacular effect.
