Innermost Jeeves Table Lamp

The Jeeves Table Lamp blends whimsy with functionality, capturing the essence of British style with its iconic bowler hat design. Crafted with meticulous attention to detail, the hat is made from hand-stitched wool felt and features an aluminium lining, giving it a luxurious and sophisticated touch. The minimalist base supports the lamp, allowing the hat to be 'tipped' at different angles to create a playful effect.

Emitting a warm, soft glow, this table lamp is perfect for a desk, bedside table, or entryway, adding personality and a sense of humour to your interior. Ideal for both home and office use, the Jeeves Table Lamp combines charm with practicality, making it an eye-catching and versatile addition to any space. Its unique design serves as both a functional light and a delightful conversation piece, enhancing any room with its character and charm.
