PRODUCT DESCRIPTION

Designer: Jake Phipps

Innermost Jeeves Wall Light

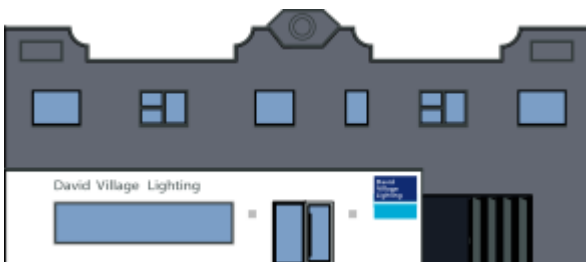

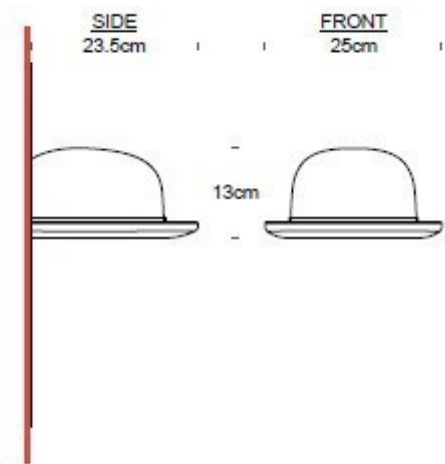

Designed to appear as if a bowler hat has been thrown against the wall, the Jeeves Wall Light introduces an element of surprise and charm to any setting. This wall light brings character and a distinctive feature to hallways, lounges, or accent walls, offering a warm and inviting glow that draws the eye. Made from high-quality wool felt with an aluminium lining, it provides not only aesthetic appeal but also a sense of intrigue and British wit.

The Jeeves Wall Light is versatile and can be used individually as a statement piece or in multiples along a corridor for a memorable lighting effect. Its blend of classic style and contemporary design makes it a striking addition to both modern and traditional interiors, perfect for spaces that crave a hint of unconventional charm. The result is a truly unique fixture that combines British heritage with modern style, creating a memorable focal point.
