Innermost MNM Pendant Light

The MNM pendant is a fabric lampshade that takes a familiar design form and enhances it with subtle, modern geometry. The slightly asymmetrical shape brings a sleek, contemporary look to any interior. Ideal for installations in clusters or as a standalone feature, MNM's unique silhouette offers a versatile lighting solution for a range of settings, from hallways to social spaces.

The modern twist on the classic shape provides visual interest and flexibility, perfect for creating a warm and inviting ambience in living spaces or hospitality settings. Use as a single focal point or combine in clusters for a more dramatic effect.

A larger size of the MNM Pendant is available, please contact us for more information and pricing.
