Kartell Bloom CW2 Ceiling / Wall

A delicate spring bouquet, the Bloom CW2 is a Ferruccio Laviani lamp that brings a colourful nuance in either mint, lavender, white or crystal finish. The Bloom CW2 can be mounted onto the wall or the ceiling and is the smallest in the [Bloom collection](#). The light is covered in numerous, sparkling polycarbonate flowers. A series of lights within the frame direct the light through the flowers which are then reflected from the petals into every direction.

This product requires on site assembly.
