Spillray Recessed Ceiling Light by Axolight

The Spillray recessed ceiling light was designed by Manuel Vivian as part of the [Axolight Spillray collection](#). The ceiling light is made from a chic glass lampshade, available in 3 sizes and 3 colours. The glass shade allows the light to escape and be revealed to create a lovely and inviting glow that illuminates out of the shade in many directions.

The Spillray ceiling lamp also emits a downward glow, being perfect for illuminating the entire room. You can use one for a small room or multiple in a larger room. Mix and match colours and sizes to create an eye-catching light feature, suitable for any domestic or professional setting.
