PRODUCT DESCRIPTION

Designer: D&D Design

Bover Hardy Suspension Light.

The Hardy Suspension Light was designed by Sergi and Oscar Devesa for Bover. This luminaire has been perfectly optimised for the hospitality sector and, thanks to its directional downlight, Hardy is a great addition above a countertop, over a bar or suspended above a dining table. The light emission is functional but still atmospheric, which proves why this lighting solution is so popular for restaurants and cafes.

The body of the Bover Hardy Suspension consists of two cylinders, with the outer one clear glass and the inner cylinder available in either white, chrome or gold. These cylinders are constructed from borosilicate - a durable and shatter proof glass.

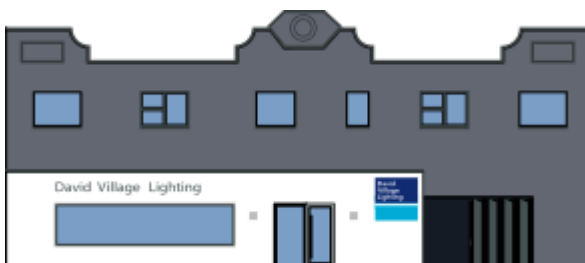

PRODUCT SPECIFICATION

Light Source: 1 x Max 8W GU10 LED (excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming.

Dimensions: Ø7cm
Height: 30.5cm
