## PRODUCT DESCRIPTION

Designer: ModoLuce R&D

### Modoluce Rettangolo Wall Light

The Modoluce Rettangolo Wall Light is a sophisticated addition to any interior, offering a clean, rectangular design that highlights its fabric diffuser with contemporary charm. Available in pleated fabric, cotton, or other luxurious materials, the light filters softly through the fabric, creating a warm and inviting ambiance.

Designed for versatility, the Rettangolo Wall Light can be installed either horizontally or vertically, making it suitable for a range of applications from accent lighting to feature walls. The open ends of the shade are elegantly enclosed with two opal plexiglass panels, ensuring a polished and seamless look from every angle. The Small Tall and the Large Wide sizes also come with a choice of 1 or 2 bulb configurations depending on your preferred light intensity.

Perfect for illuminating specific areas or creating striking visual effects, the Rettangolo Wall Light embodies Modo Luce's commitment to timeless design and high-quality craftsmanship.

**Please note, Dali dimming is available on request. Please [contact us](#) for more details and pricing.**
