**Taj Mini by Kartell**

More than just a light, the Taj Mini is a luminous sculpture, a strong presence whether you use it at home or the office. The design, by Ferruccio Laviani, deviates from the typical articulated and joined stereotype with a single form serving just its purpose. At the same time, the LED technology for the fully optimise and minimise the light source to its fullest.

This is the mini version, the smaller sibling to the [Taj Table Lamp](#), and can be used everywhere around the house and looks fantastic as beside table light. The Mini Taj is available in various colour options.
