PRODUCT DESCRIPTION

Designer: Mathieu Lehanneur

Fabbian Cloudy LED Ceiling Light

The Fabbian Cloudy Ceiling Light was designed by Mathieu Lehanneur, who found his inspiration in nature. Cloudy consists of a hand-blown glass shade that is designed to resemble a cloud, with the LED light emission acting as sunshine after a burst of rain. The glass diffuser is handmade which makes each one unique and boasts a two-tone finish - with the bottom of the glass remaining transparent and the top of the shade having a hazy white finish in order to create a more diffused illumination. This lamp was created using extremely complex steel molds, which gave it an almost magical lightness, a cloud of glass floating in the air

The Cloudy LED Ceiling Light reveals all its luminosity and is a positive sign of hope and optimism. This ceiling light by Fabbian takes up little room but has a big impact. Available in two sizes, Cloudy can be displayed individually or in linear rows or clusters. It is a perfect addition to hallways, bedrooms, kitchens and entryways.

PRODUCT SPECIFICATION

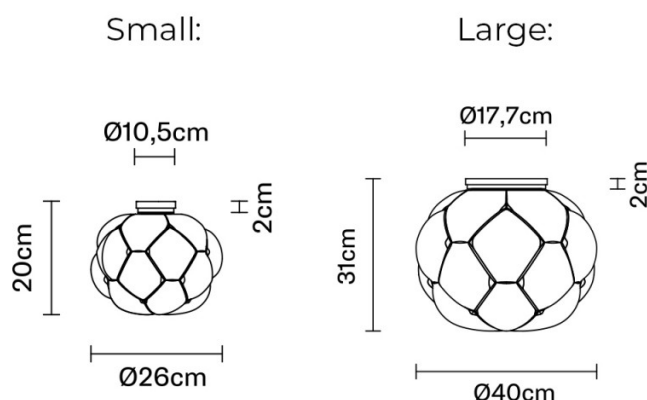

Light Source: **Small:** 8W, 3000K 750 Lumens
Large: 17W, 3000K, 1850 Lumens

IP Code: 40

Dimming: Dimmable via Triac dimming.

Dimensions: Small:
Ø26cm
Depth: 20cm
Ceiling Mount: Ø10.5cm

Large:
Ø40cm
Depth: 31cm
Ceiling Mount: Ø17.7cm
