PRODUCT DESCRIPTION

Designer: Verner Panton

&Tradition Flowerpot VP3 Table Lamp

Designed by the legendary Verner Panton, the Flowerpot VP3 was the first of two [table lamp](#) variants to be introduced to the Flowerpot range in 1969. His inspiration came from the Flower Power movement which took the 1960's by storm, resulting in Panton creating a fun and colourful lighting solution that creates a cosy atmosphere for your interior.

Where the original Flowerpot [pendants](#) consist simply of two metal hemispheres, one twice the size of the other, which serve as diffusers for a concealed light source, the Flowerpot VP3 adds a third, the same size as the smaller hemisphere but inverted to be used as a base. This allows it to stand freely on a desk or coffee table, to be used as a task light or simply to create an intimate atmosphere in a reading nook or bedroom. The Flowerpot collection also includes three pendants – the [VP1](#), [VP2](#), and [VP7](#) – and another, more distinct table lamp, the [VP4](#).

PRODUCT SPECIFICATION

Light Source: 1 x Max 6W LED E27 (excluded)

IP Code: 20

Dimming: In-line on/off switch included on cable.

Dimensions: Shade: Ø23cm
Height: 50cm
Cable Length: 200cm
