Designed by award-winning Finnish designer Harri Koskinen, the Muuto Cosy in Grey Table Lamp is a modern lighting solution with a big personality. Crafted from mouth-blown soda lime glass, each piece is unique but the cosy atmosphere is cohesive throughout. The aim of the design was to create an atmospheric lighting solution that has a bold presence in your interior, utilising smooth curves and an artistic silhouette

The Muuto Cosy In Grey emits a warm diffused glow thanks to its dark grey-coloured glass and the in-line dimmer on the cable allows you to change both mood and light.
