MHY Pendant Light by Muuto

Inspired by characters from our childhood, the Mhy pendant was designed by the Norway Says trio from Oslo. The small size allows the Mhy to be installed in clusters or rows, either above the meeting room table, reception or your dining table at home. Its a unique pendant light that adds character to the room's decor.

Norway Says is internationally acclaimed and have won numerous prestigious awards for their work. They wanted their design to have a strong personality with an elegant appearance. The playful design for Mhy was inspired by literature characters and illustrations of their childhood.
