PRODUCT DESCRIPTION

Designer: George Carwardine

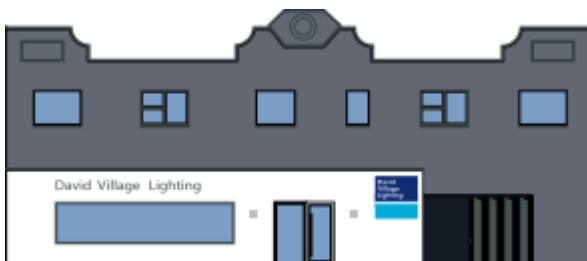

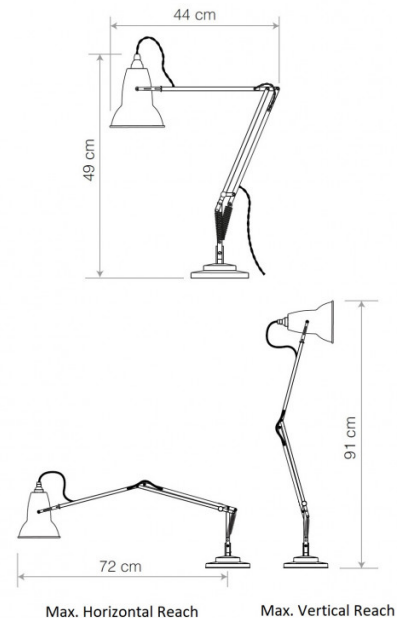

Original 1227 Brass Desk Lamp by Anglepoise

With beautiful brass details and a delicate woven fabric cable, the Original 1227 Brass desk lamp is a reinvention of the classic [Anglepoise desk lamp](#) design by George Carwardine. Making use of the signature Anglepoise tension spring technology this lamp can be directed at the lightest touch and will stay in place to give a directional light, perfect for reading and working.

The brass aesthetic brings a new level of sophistication to the 1227 desk lamp and its high gloss finish produces a luxurious feel making it a wonderful choice for any home or workplace setting. With two traditional colours to choose from and other brass fitted lights available from the [Anglepoise Original 1227 collection](#), you are set to finish off your interior design in an elegant yet functional way.
