PRODUCT DESCRIPTION

Gregg Cluster Pendant Light by Foscarini

The Gregg cluster pendant brings all the benefits and beauty of the [Gregg pendant light](#) now in a lovely cluster to have as a wondrous feature light. Elegant and stylish this pendant light is part of the [Foscarini Gregg collection](#), a range designed by Ludovica + Roberto Palomba. The lampshades are made from glass, creating a warm and soft illumination that makes a big impact on this scale.

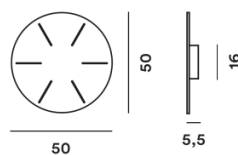

The Gregg cluster pendant light is characterised by its organic and nature-inspired shades, that look like stunning bubbles or pebbles hanging high from the ceiling. This light is suitable for both domestic and commercial settings and will look best in rooms with high ceilings.

This pendant cluster is available with a variety of round or linear ceiling canopies to create the cluster effect. Please [contact us](#) for more information and to purchase.
