PRODUCT DESCRIPTION

Secto 4210 Pendant Light

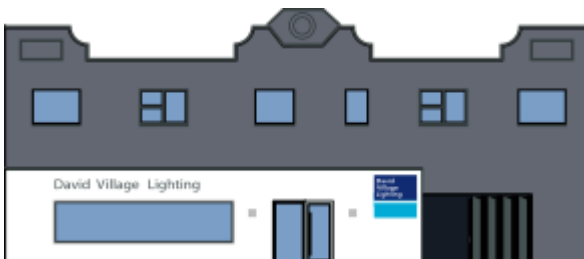

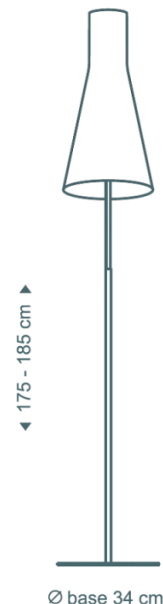

With a characteristically Scandinavian design, the Secto 4210 Floor Lamp is one of Secto's most successful designs. Featuring an inverted funnel diffuser, the 4210 floor lamp has a streamlined, elegant look. Using natural birch, a Finnish timber, to create the slatted diffuser of the 4210, it casts a soft and warm ambience on surrounding areas.

Standing at a maximum of 185cm high, the Secto 4210 floor lamp comes complete with an on/off switch integrated into the cable. The birch frame is available in its natural state or with a white or black lamination or walnut veneer. The 4200 collection also includes wall lights, pendant lights and table lamps - browse the rest of Secto's designs [here](#).

PRODUCT SPECIFICATION

Light Source: 1 x 12W E27 LED 3000K 1060lm (included by Secto)
IP Code: 20
Dimming: Integrated on/off switch on the product
Dimensions: Height: 175-185cm
