PRODUCT DESCRIPTION

Secto Owalo 7010 Floor Lamp

Described by Secto as 'formal elegance', the Owalo 7010 floor lamp has a stand out silhouette yet retains a light and airy aesthetic. The perfect addition to a living or dining area, the slim profile of the Owalo floor lamp is available in natural birch, with a black or white lamination or a walnut veneer.

With an integrated LED component, the Owalo 7010 floor lamp provides a warm and ambient glow and can be used in conjunction with the [Owalo 7020 table lamp](#) and [Owalo 7030 wall lamp](#) for a cohesive and chic feel. Handmade from Finnish birch by skilled craftsmen, the Owalo range adds warmth to interiors due to the wooden slatted shades.
