Secto Kontro 6000 Pendant Light

The Kontro 6000 is Secto's modern interpretation of a chandelier, with its sophisticated and elegant silhouette and wooden diffuser. Spreading light both upwards and downwards, the Kontro 6000 provides a warm, gentle light which creates a relaxed atmosphere making it perfect for lighting a dining area or living space.

Captivating as a single suspension or in multiples, the Secto Kontro 6000 pendant is handmade in Finland from Finnish birch and is available in birch, with a white or black lamination or a walnut veneer and can be used in conjunction with [Secto's other designs](#).
