PRODUCT DESCRIPTION

Designer: Joana Bover

Bover Maxi P/180 LED Outdoor Floor Lamp

The Bover Maxi P/180 LED Outdoor Floor Lamp is the perfect lighting solution for illuminating contemporary exterior spaces. The delicate shade is crafted from polypropylene fibre which protects the LED light source, and due to the unique pleats and folds the Maxi produces beautiful and fun shadow effects. Designed by Joana Bover in 2001, the Maxi Outdoor Floor Lamp offers a classic configuration that provides a subtle yet elegant touch.

The polypropylene shade successfully diffuses the LED, resulting in a soft and atmospheric light emission which is perfect for spaces that require a calming ambience. The Bover Maxi P/180 Floor Lamp is also suitable for floor mounting to further protect the light against weather conditions and avoid damage.
