PRODUCT DESCRIPTION

Designer: Bertjan Pot

Prop Light Round Single Suspension by Moooi

The Prop Lights were designed by Bertjan Pot, who is known to experiment with different materials which then lead him to new creates. The Prop Light, part of Moooi's collection, includes a variety of suspension and floor lights of different shapes and sizes. The Prop Round Single Vertical suspension, with a surface of 73 cm in diameter, has it's lower part covered with 48 glass bulbs. The integrated LED units are housed inside each bulb, thus spreading an even ambience in any room.

The simple design paired with the lack of any hues, makes the Prop Lights a versatile lighting solution for any interior. The [Prop Light Collection](#) includes floor and suspension lights in various arrangements, either horizontal or vertical, round or linear and with lights on both or one side. Pick your favourite Prop Light and it is certain to compliment your home, office or business.
