Fairy Recessed Light by Axolight

The Fairy is a classic in Axolight's collection and have become a favourite choice for many. A design by renowned designer Manuel Vivian, the Fairy lights bring a sparkling charm into any interior. The Fairy recessed light has a transparent glass diffuser, multifaceted with a bricole cut effect. The diffuser creates a kaleidoscope effect, and draws the eye even when not in use. As with all Fairy lights, the Fairy recessed light is suitable to install in bedrooms, hallways, dining areas. Guaranteed to create an enchanting, fairytale atmosphere, the Fairy is perfect for both commercial and residential projects. With an integrated LED source, the recessed light is energy efficient and you may choose whether it is dimmable or not. The glass diffuser is available in three hue options: amber, grey or crystal/transparent.

Take a look through the Fairy Collection, which includes ceiling and wall lights, as well as suspension lights. The family includes suspensions with a varying number of lights and in circular or linear arrangements. Please, [contact us](#) for more information and pricing.
