PRODUCT DESCRIPTION

Designer: Michael Anastassiades

IC Pendant Light by Flos

The Flos IC suspension light comes in three sizes, the smaller S1, the S2 and a larger S3. The collection explores balance and shapes as each light has a blown glass sphere which sits 'balanced' upon a metal rod. Simple yet effective, the Flos IC lights provide a soft, diffused glow due to its opal glossy glass sphere and are dimmable via mains phase dimming.

The iconic and revered [IC collection](#) was designed by Michael Anastassiades in 2014 for Flos and consists of floor lamps, wall lights, table lamps and suspension lights available in either brass, black or chrome.
