PRODUCT DESCRIPTION

Designer: Arik Levy

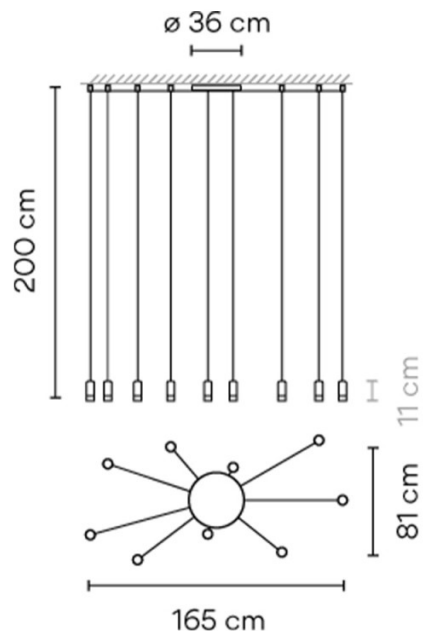

Vibia Wireflow 0360 Chandelier

The Vibia Wireflow 0360 Wireflow suspension light designed by Arik Levy consists of an elegant structure of fine cables and LED terminals which allows you to configure your own unique installation. The cables can be manoeuvred how you wish and held into place with the featured black clips. The possibilities are endless with the contemporary chandelier, featuring 9 LED sources that are encapsulated with a pressed glass diffuser to result in a functional but soft downlight.

Vibia Wireflow allows you to play with space and depth, generating a sculptural statement lighting piece in both residential and commercial interiors. It is a gorgeous addition to entryways, stairwells, restaurants, bars and hotel lobbies - the Wireflow 0360 LED Chandelier can adapt to any environment.
