PRODUCT DESCRIPTION

Designer: Marc Sadler

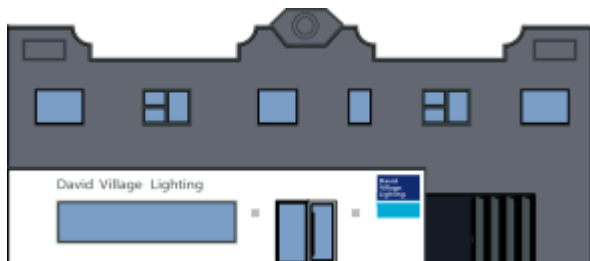

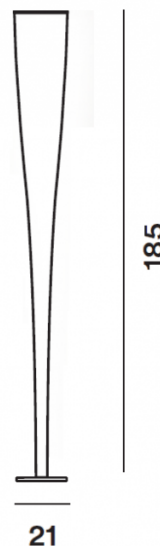

Mite LED Floor Lamp by Foscarini

The Mite LED floor lamp was designed by Marc Sadler in collaboration with Foscarini. The lamp is made using a special patent which mixes the materials of fibreglass and carbon thread which acts both as a decorative and supportive element. The floor lamp has a chic and minimalist design that will add a touch of modernity to the room.

The Mite LED floor light has a dimmer switch, allowing you to create the right atmosphere in your interior. The light is directed upwards and also emanates outwards creating warm bands of light that fills the room nicely. The floor light is available in 2 colours, black or yellow so you can find the right fit for your design scheme. Use in lounges, bedrooms, dining areas and more to provide much needed light and style!
