PRODUCT DESCRIPTION

Designer: Joan Gaspar

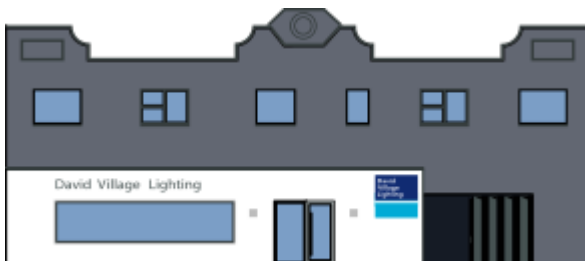

Marset Polo LED Ceiling Light

Designed by Joan Gaspar for Marset, Polo is a minimal and simplistic spotlight which is ideal for both residential and commercial spaces. With a completely adjustable head, the light source can be directed to where it is required, whether that is for task or to highlight an interior design feature. Marset Polo is an understated design which blends in perfectly into any space and illuminates it well for everyday living.

Polo ceiling light by Marset is ideal for modern living room interiors, kitchens and hallways where extra illumination is required. **There is also an option of a recessed accessory, [contact us](#) for further details.**
