Marset Hazy Day Suspension.

Hazy Day collection was a study into the delicate light and how it diffuses, inspired by that time of day when the sun has not yet come up and the light of the sky is filtered through the haze. As a hanging lamp, the opal glass ball fades from a sandy matte to a shiny transparent finish at the small curvature that rounds out the lampshade. This detail breaks up the essential geometry of the sphere and harkens back to the technical procedure of glassblowing, the technique used to craft it.

Marset Hazy Day pendant is perfect for living & dining rooms, creating an ambient glow to set the atmosphere through it's beautiful textured glass.
