PRODUCT DESCRIPTION

Ginger Table Lamp by Prandina

A part of the 2010 [Prandina Ginger collection](#), the Ginger table lamp is made from matt white painted metal and an opal white plastic lampshade to produce a warm and welcoming lamp. The lampshade produces a soft glow that is diffused and glare-free. The bottom of the shade has a plate in it to conceal the bulbs and the design of the table lamp is stylish, chic and clean.

The classic aesthetic of the Ginger table light makes it suitable for many settings, perfect for offices, lounges and dining spaces both in the home and at work. The table lamp is available in a smaller size, the T30 and a bigger size the T50 and the subtle colour of the lamp means it can fit seamlessly into your interior. Match with other lights from the collection to create a consistent lighting scheme.
