Anglepoise Original 1227 Floor Lamp

Designed by George Carwardine in 1935, this floor lamp is part of the [Anglepoise Original 1227 series](#), a collection which is devoted to bringing the iconic design to different formats, from wall to floor to table lamps, to produce lights that can be used throughout home and workplace environments.

A reinterpretation of the [Original 1227 table lamp](#) this light has the classic Anglepoise spring mechanism and shade silhouette to bring an adjustable floor lamp that will make a stylish statement in any room. With a directional light this lamp works perfectly as a reading light and with three colours available, this lamp will fit easily into any design scheme.
