PRODUCT DESCRIPTION

Type 75 Mini Desk Lamp by Anglepoise

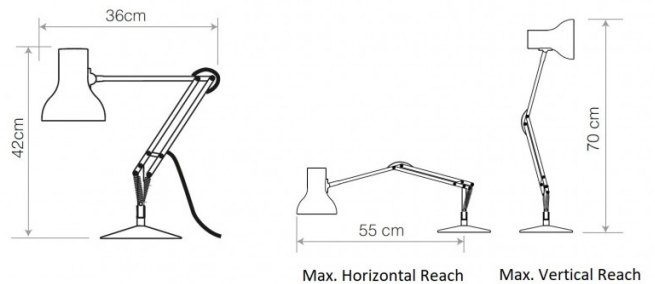

The Type 75 Mini desk lamp was first released in 2011 and is the smaller version of the [Type 75 desk lamp](#). Designed by Sir Kenneth Grange, the [Anglepoise Type 75 Mini collection](#) modernises the classic Anglepoise design by introducing a sleeker and contemporary range of lights with neat, clean aesthetics.

The Type 75 mini desk light has the Anglepoise spring mechanism which allows you to angle and fix the light in any position with the lightest touch. Being smaller, this compact light is versatile and can be used in many spaces, bringing a touch of classic British design to any home or work interior. Available in 3 colours, the Type 75 mini table lamp works particularly well in offices, bedrooms and living areas.
