Innermost YOY LIGHT LED Table Lamp

The YOY LIGHT Table Lamp by Innermost merges design ingenuity with advanced technology, creating a truly captivating lighting experience. Designed by Tokyo-based studio YOY, this innovative lamp features a minimalist aluminium and steel structure housing a powerful LED that projects the silhouette of a traditional lampshade onto the wall. This illusionary effect transforms the lamp into a modern piece of art that blends seamlessly into contemporary spaces.

Ideal for desks, nightstands, or lounge areas, the YOY LIGHT Table Lamp becomes an instant conversation starter, challenging perceptions of light and shadow. Available in a matte white finish, it serves as both a functional light source and a piece of interactive decor, bringing a sense of intrigue and elegance to any room. The YOY LIGHT combines simplicity with creativity, offering a unique and visually engaging addition to your interior.
