

# Bega 77070 In ground - Small

LA3390

SOURCE: <https://www.davidvillagelighting.co.uk/product/Bega-77070-In-ground---Small/15840>

## PRODUCT DESCRIPTION

Bega 77070 in-ground luminaire, small.

LED surface-mounted luminaire with four-sided light sectors for installation on a foundation, an anchorage unit or a connection housing (both excluded - please contact us for price: 0114 263 4266). Remote driver required, contact us for options.

Drive-over luminaire for vehicles with pneumatic tyres. For pressure load up to 1,000 kg. At the glass surface the luminaire attains an operating temperature of 20 °C.

Please note:

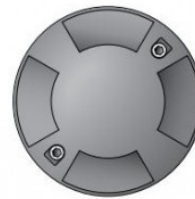

Luminaire must not be used for installation in road lanes, where the fixture is exposed to a horizontal strain due to braking, acceleration and change of direction.

Luminaire made of aluminium alloy and stainless steel. Borosilicate glass, silicone gasket. Mounting plate made of stainless steel.
